FAQs

Please read carefully and do not discard. If your school is sending out your packet, show this paper to your guidance counselor.

How many academies can I apply to through Senator Schumer's office?

Because of the large number of applications, you may only be considered for **ONE** academy. This will afford an opportunity to a greater number of individuals seeking a nomination.

Do I need to contact the academy or is the application to Senator Schumer's office all I need to do?

Make sure you contact the academy of your choice and request a catalog and other material regarding requirements and admission. Each academy has its own application which must be filled out by prospective candidates for admission. **BE SURE TO CHECK AGE, HEIGHT AND CITIZENSHIP REQUIREMENTS.**

In what order do I submit the required paperwork?

Arrange your packet so that the two page application is on top, followed by transcripts, score reports and lastly, essay and recommendation letters.

How do I make sure that all elements of my completed application stay together?

Please note - We receive hundreds of applications. It is therefore important that your entire packet be secured with a strong fastener so all materials will stay together. A paper clip is **NOT** a strong fastener. **DON'T USE PAPER CLIPS.** Heavy duty staples, a binder clip (best) or a pocket folder will help to prevent documents from becoming detached and lost.

Should I make copies of what I submit?

Keep copies of all paperwork including your completed application form **JUST IN CASE.** Ask the people who were nice enough to write letters of recommendation on your behalf to keep copies **JUST IN CASE.**

Where should I send my packet?

Do not send to Senator Schumer's Washington office. Do not send to any of the Senator's offices other than to the NY City office. Sending to offices other than NY City will unnecessarily delay receipt of your application in a timely fashion. Completed packets should be received at the address listed below no later than 11/1/06: The address is:

**Senator Charles Schumer
757 Third Avenue, Suite 1702
New York, New York 10017**

Should I call to see if the Senator's office received my packet?

When you mail your packet, request a return receipt, proof of delivery from your delivery service so you don't have to call us to find out if your packet arrived.
